

Dear Church Family,

Fall is finally here, and those of you who know me know it is my absolutely favorite time of year. The children and the teachers love being able to play outside in the cool crisp air.

This school year like many others has flown by. We have already celebrated "Grandparent's Day" with a fun breakfast and by reading a book written especially for them. We went on a fantastic field trip to the pumpkin patch where church members read us a story, prepared us a snack and allowed us to pick our very own pumpkin. Since October is fire safety month we made a trip to our local fire station. They taught us how to stay safe in the event of a fire. It is so nice to have such great community minded fire fighters right here in our little town.

As we go into the holiday season please pray with me that our preschool will minister to everyone God sends through our doors in a way that would please Him.

Daniel 2:21 says, *"He changeth the times and the seasons; He removeth kings and setteth up kings; He giveth wisdom unto the wise and knowledge to them that know understanding."*

I love this verse because in our constantly changing, tumultuous world it reminds me some things are constants, the changing seasons, the fact that God is always in control and wisdom and knowledge comes from seeking Him. May we all seek His wisdom daily.

pastor's pen

Have you ever said, “*I wish I could roll back time*”? If so, you can the first weekend of November, when you set your clocks back one hour! I hope that will cause you to get that extra hour of sleep and you will be at church the next day revived and excited! Seriously, if you had extra time, would you invest it or waste it?

Please remember to pray daily for our **Pastor Search Committee** (PSC) as they seek the Lord’s leadership. I am excited about how God is directing us through this process. I believe good days are ahead for EBC!

To register for the retreat go to:

www.workasworshipretreat.org

Cost is \$25

(More details coming in January!)
